

PRIVIUM® HDM408

Create an efficient and safe environment with this new sustainable, energy efficient LED module. The perfect uniform illumination reduces shadows and dark spots. A good visibility will increase production efficiency in factories or warehouses and in parking garages or tunnels. Pedestrians and drivers will feel safe. Based on the latest LED technology and special features as integrated booster and its automatic standby modus function, the HDM408 will save money and up to 85% energy!

PRIVIUM®

HEAVY DUTY 408 OUTDOOR

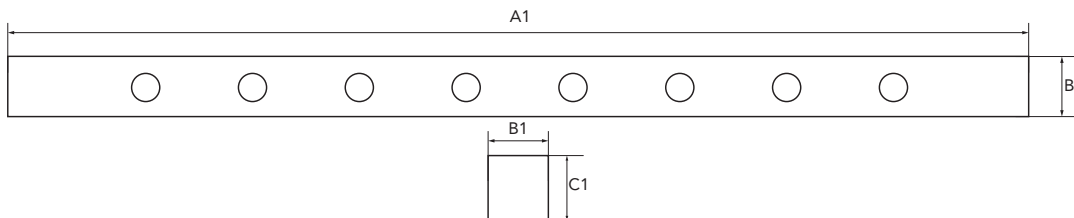

SPECIFICATIONS

ARTICLE NUMBER	PRODUCT	COLOR TEMP	LUMEN OUTPUT	POWER	EFFICIENCY	CRI	VOLTAGE	# LEDS	IP RATING	TEMP
